

Imagine going to school with clothes that don't fit or are tattered and don't blend in with what your friends are wearing.

What if you didn't have a backpack or any school supplies? Or your shoes were worn out and had holes in them?

It wouldn't feel good, would it? You might be afraid that people would laugh at you or that no one would want to be your friend.

Right here in Portland, there are kids whose parents are sick or out-of-work and not able to buy them the school clothes, shoes, and supplies most of us take for granted. **But you can help.**

By donating just \$10 to the **JFCS "Kids 4 Kids" Back-to-School Drive**, you can help make sure that kids in our community have what they need to go back to school feeling proud.

We'll put all the \$10 gifts we collect together and use them to pay for:
haircuts • glasses • shoes • new clothing • backpacks • lunchboxes • school supplies • calculators • bus passes • money for school activities & field trips • personal toiletries • back-to-school physicals • prescriptions • whatever equipment & supplies a particular child or teen needs

Please be a friend to a kid who needs a friend. Please contribute today to the JFCS "Kids 4 Kids" Back-to-School Drive.

YES, I want to be a friend to a kid who needs a friend!
