COLLABORATION

Dear Friends of JFCS,

As we reflect on the past year, we are reminded that the strength of our community lies in the connections we create—between those we serve, between generations, and with our partner organizations.

This past year, Jewish Family & Child Service has been able to care for those who need it most thanks to you, our community. With home care for Holocaust survivors, mental health support for individuals, helping college students on local campuses deal with antisemitism and combating isolation among older adults, we are dedicated to lifting up our community.

You will see examples of our efforts on the following pages. These efforts include:

- ♦ community support groups
- ♦ intergenerational social events
- ♦ one-on-one counseling
- ♦ expansion of partnerships
- ♦ sharing of resources
- ♦ care management

Looking ahead, we're more committed than ever to strengthening these connections and expanding our reach. Our mission goes beyond providing assistance; it's about fostering a community where everyone feels seen and supported.

Thank you for your partnership, and your unwavering belief in JFCS. We'd love to hear from you—please reach out with any questions or if you'd like to learn more about how you can get involved.

Warmly,

Bill Treuhaft
Board President

Susan Greenberg
Executive Director

SURROUNDING OUR COMMUNITY WITH CARE

Caring for and supporting our Holocaust Survivor clients with dignity, respect, and sustenance, both physical and emotional.

"I would like to express my gratitude for such a beautiful, joyful celebration! The wonderful refreshments, great music, photobooth for the participants, the beautiful decoration of the hall, and the attention and smiles of the volunteers all created a great mood and brought joy to us elderly people."

– Senior prom attendee

"We highly appreciate the work of our wonderful case managers for their professionalism, responsibility, and dedication.

We appreciate your promptness, responsiveness, consideration of the client's interests, desire to help by providing home care services, and solving many other problems as they arise."

– Holocaust Survivor client

"Thank you for your help and understanding. I honestly have no idea what I would do without your program."

– Family member of Holocaust Survivor

MENTAL HEALTH CARE AT EVERY AGE, EVERY STAGE

Dedicated to delivering compassionate, person-centered, trauma-informed mental health services to youth, adults, couples, and families navigating life's challenges.

"This was a great forum and way to unload much of the grief/angst I was encountering. From the time I walked through the door until the last session, I felt like my voice mattered and my contribution valued. Being present, seen, and heard is so important."

– "Walking Beside You" grief group participant

At JFCS, our priority is to provide support based on trust, empathy and understanding to ensure that our clients feel safe and empowered to make progress toward their goals.

LIFE & LEGACY

We are grateful to our supporters who plan to leave a legacy gift to JFCS. These after-life gifts provide a stable funding source to support JFCS' programs, in good times and bad, for generations to come.

JFCS is proud to be one of 10 organizations in Oregon and SW Washington participating in Life & Legacy, a partnership of the Harold Grinspoon Foundation and the Oregon Jewish Community Foundation. The program promotes estate planning and planned giving that can build endowments and guarantee the long-term sustainability of local Jewish institutions and organizations.
